June 4, 2026

Dear Friends:

The Georgia Peanut Tour brings more than 150 attendees from all sectors of the peanut industry in the United States and the world to the beautiful state of Georgia each year. The tour aims to educate participants about the people, the places and the technology involved in producing high-quality peanuts in Georgia. The 2026 Georgia Peanut Tour, organized by the University of Georgia College of Agricultural and Environmental Sciences, USDA-ARS National Peanut Laboratory and the Georgia Peanut Commission, will be held September 22-24, 2026.

The Georgia Peanut Tour has a long-standing tradition of excellence, providing a unique platform for visitors to gain valuable insights into the peanut industry. This year, we are excited to continue this tradition and to further enhance the experience for our participants as we host the Tour in the Savannah, Georgia area.

This tour is only possible with the support of the entire industry. To ensure the success of the 2026 Georgia Peanut Tour, we are seeking support to help cover essential costs such as transportation, breaks and meals. Sponsors receive a range of benefits, including prominent recognition on the tour, opportunities to engage directly with tour participants and the chance to demonstrate their commitment to Georgia's peanut industry. Please consider supporting the 2026 Georgia Peanut Tour.

Please return your contribution, payable to the Georgia Peanut Tour, and the enclosed form to David West, P.O. Box 967, Tifton, Georgia 31793, by August 21, 2026.

Thank you for considering our request. We look forward to the possibility of working together to make the 2026 Georgia Peanut Tour a resounding success.

Sincerely,

W. Scott Monfort
Georgia Peanut Tour Committee Chairman
