Dear Friends:

More than 200 attendees from all over the United States and abroad annually attend the Georgia Peanut Tour to learn about the level of technology involved in producing high quality peanuts in Georgia. The 2023 Georgia Peanut Tour, organized by the University of Georgia College of Agricultural and Environmental Sciences, USDA-ARS National Peanut Laboratory, and the Georgia Peanut Commission, will be held on Sept. 12-14, 2023. We have an excellent tour planned for this year, which will be hosted in the Tifton, Georgia area. This area offers the chance to see some of the most advanced peanut production in the world.

This tour is only possible with the support of the entire industry. To keep the registration fee for participants as low as possible, we are seeking support to help cover the cost of transportation, breaks and meals. Please consider supporting the 2023 Georgia Peanut Tour.

Please return your contribution, made payable to the Georgia Peanut Tour, and the enclosed form to David West, P.O. Box 967, Tifton, Georgia 31793, by August 25, 2023.

Thank you for your consideration.

Sincerely,

Chris Butts
